NEW DELHI, May 11, 2018 /PRNewswire/ --

RaghuNandan Industries (P) Ltd., more popularly known as RMoney in the brokerage business, has been awarded as the Commodity Broker of the Year 2017-18 by MCX. The Multi Commodity Exchange of India Limited (MCX), India's first listed exchange and the largest commodity derivatives exchange in the country, has conferred the Commodity Broker of the Year award to RMoney at a glittering ceremony held at Mumbai on 4th May, 2018. RMoney, which is a diversified financial services group, offers trading in equity, derivatives, currency derivatives and commodities derivatives through its state-of-the-art online platform. RaghuNandan Industries, the Commodities Broking arm of the group RaghuNandan Money, has been into commodities trading for more than 14 years and has evolved as one of the most trusted brokers.

While receiving the award in Mumbai, Saurabh Mittal, Managing Director of RaghuNandan Money thanked all the clients, franchisees, associates and employees for their relentless trust and support, and also highlighted that the online trading at RaghuNandan Money has always been a key focus area and that reflects in RMoney's online offerings.

"If you wish to trade in equities or derivatives or commodities, with RMoney you have the freedom to use any of the online platforms that you are comfortable with. You may use the browser-based online trading platform or even get Advanced Trading & Charting software for free, or alternatively enjoy trading through the mobile trading app without any additional costs," says Saurabh Mittal. "RMoney Quick, our mobile trading app, is a free-to-download application and anyone (not necessarily an RMoney client) can login as a guest user, watch market rates, quotes, charts, data, etc. and learn trading in stocks and commodities. Additionally, if you have an account with RMoney, you can watch your portfolio live and trade real-time," adds Saurabh.

On being asked how RaghuNandan Money caters to the needs of the new generation of investors who are more tech-savvy and well informed than earlier times, Saurabh explains that the core idea is to bring the best of technology, layer it with unmatched services and offer it at the lowest possible cost. He explained it further with 5 key points:

1. **Low Cost Advantage :** RMoney offers fixed brokerage plans with even Zero Brokerage rates in Equity Delivery. One can enjoy the discount brokerage rates but RMoney does not discount any services being offered to them.
2. **No Hidden Costs :** RMoney does not levy additional charges in the name of Fund Transfer, Call-n-trade, etc. The client can call as many times as he needs, RMoney offers support free of cost.
3. **No Annual Charges :** RMoney does not ask for any annual or subscription fees for the trading software or mobile app. Even the Demat account is opened as lifetime free.

4. **Evolving Technology** : Tech is an area that rapidly changes and RMoney tries their best to match that pace. They re-invent their products and offerings everyday keeping in mind the new technology.

5. **Personalised Support** : Even for online clients, there is a dedicated person sitting at the central trading desk. Everyone wants personal attention and RMoney delivers just that to all their clients.
